

Hygiene Protective Measures - Limousine Service

Bucher Bus has taken extensive protective measures to prevent the spread of the Covid-19 virus which has been approved by the Swiss Federal Office of Public Health (BAG).

Please find below the overview:

Avoid shaking hands

Keep sufficient distance (between driver and passenger)
Directly behind the driver seat is a protective panel as partition
Obligation to wear protective masks inside the vehicle
Protective masks available for free

Cough and sneeze into a tissue or the crook of your arm

Wash your hands thoroughly

Use the provided disinfectant in the vehicle
Bring your own disinfectant for more safety during your travel

The passenger seat next to the driver will be kept free

The driver wears gloves during loading and unloading the baggage
Vehicle doors are opened and closed by our driver

Extensive cleaning after each transfer (in particular points of contact will be disinfected)
